Pre-Registration Form

Camper's Name _____ DOB _____ Home Phone _____
Address _____ City _____ State _____ Zip Code _____
Parent to Contact _____ Daytime Phone _____ Best Time to Call _____
Email _____ How Did you hear about Camp? _____

Camp Tuition is \$500.00 (Scholarships are available to qualified individuals upon request.) To register, send this completed form (by April 1, 2017) along with a \$50.00 deposit (all applicants must pay the \$50.00 deposit) made payable to:

Epilepsy Foundation of Greater Southern Illinois
3515 North Belt West
Belleville, IL 62226
ATTN: Camp

Call EFGSI for additional info at (618) 236-2181, ext. 114 or email janets@epilepsysil.org

This year Camp Roehr will be held at the beautiful YMCA Trout Lodge and Camp Lakewood in Potosi, MO. (www.ymcaoftheozarks.org)

Accommodations include air conditioned cabins, dining hall, country store, laundry facilities, and beautiful surroundings.

Camp Roehr is a six-day residential camp for children between the ages of six and 18 years old who have epilepsy.

Camp Roehr was originally named in honor of Mr. Tony Roehr. Mr. Roehr was a strong advocate in St. Clair County, Illinois, for those with developmental disabilities throughout the 1970's and 1980's. Tony was very active by serving on the boards of several disability organizations in St. Clair County. He also served as the director for Advocates for the Developmentally Disabled in the 1980's. Mr. Roehr had a close relationship with the Epilepsy Foundation for many years. Sadly, St. Clair County lost a great advocate when Mr. Roehr died in 1991. The Epilepsy Foundation of Greater Southern Illinois wanted to honor his memory. Thus, the annual camp for children with epilepsy was named Camp Roehr.

Camp Roehr gives young people with special needs a variety of opportunities to focus on their strengths.

With a staff of caring, qualified counselors and medical support personnel, the children are able to make new friends and have a great time in a safe, supportive environment.

Campers may participate in team sports, arts and crafts, hiking, swimming, archery, dancing, epilepsy education, wildlife exploration and much more.

Words from the Director

"We do everything at Camp Roehr! We just do it with more supervision than you find at other camps."

Dear Epilepsy Foundation,

From the first day my daughter went to camp at age 6, she felt like she belonged and she wasn't alone in her seizure struggles. Over the last 4 years, she has made what are sure to be lifelong friendships. Going to camp to be with these kids that are so like her is one of her favorite things in the world to do.

Sincerely,
Jennifer M.
