

Why RIDE?

Ride for thousands of Southern Illinoisans with epilepsy who have uncontrolled

seizures despite all the treatments currently available.

Why RUN?

Run for the newly diagnosed individuals and families in Southern Illinois that need help each year.

We offer direct support, information, and referrals.

Why WALK?

Walk for all of the school children in Southern Illinois with epilepsy. We

train school nurses, teachers and support parents so that kids with epilepsy succeed in the classroom.

Why CELEBRATE?

We join together to celebrate our epilepsy community with friends and

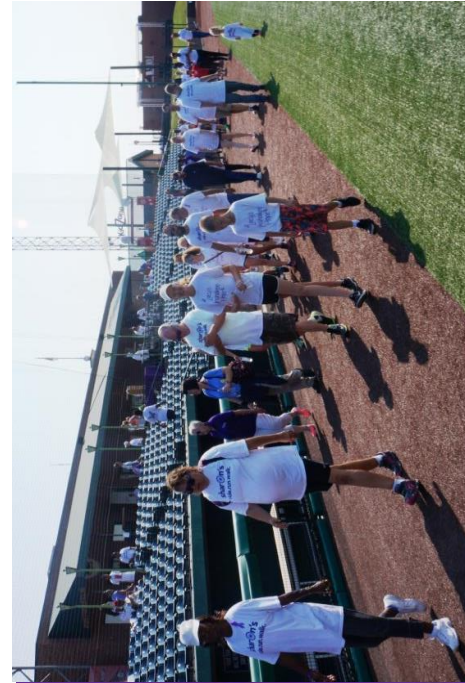

loved ones who care and rally to raise awareness.

An event for Southern Illinois and the Gateway Region

WHO IS SHARON?

Sharon's Ride. Run. Walk. was founded by Dr. William Rosenfeld and Dr. Susan Lippmann to honor Dr. Rosenfeld's sister, Sharon, who was killed on a cross country bike ride in 1993. Sharon was a teacher and a nurse who cared deeply for people with epilepsy and advocated for helmet safety.

WHAT IS EPILEPSY?

Epilepsy (recurring seizures) are temporary electrical changes in the brain resulting in seizures, ranging from momentary staring spells to life-threatening convulsions. **1 in 26 people will develop epilepsy in their lifetime.** A leading cause of epilepsy is head trauma. Wearing helmets while riding a bicycle, horse, skates, or participating in any head injury prone sport can reduce the number of new cases of epilepsy.

YOU CAN HELP!

Join us to lead the fight to stop seizures, find a cure and overcome the challenges created by epilepsy. EDUCATE... ADVOCATE ... CURE

WE THANK YOU!

Every dollar raised at Sharon's Ride. Run. Walk. stays right here in Southern Illinois to support over 11,000 Southern Illinoisans living with epilepsy.
